

MY EARTH DAY pledge

I, _____, promise to help take care of the Earth so it stays clean and healthy for everyone.

I PLEDGE TO:

- recycle as much as I can
- use less water and turn it off when I'm done
- be kind to bugs and animals in nature
- turn off lights when I leave the room
- say no to single-use plastics
- remind others to take care of the Earth too!

Signed,
